Information on Community Suport

There has been a huge outpouring of support from the public wanting to help the most vulnerable members of our communities. While this is fantastic to see, it is important to remember that good volunteer management practice is particularly important during crisis situations.

Volunteer Ireland and the network of Volunteer Centres (VCs) and Volunteering Information Services (VISs) can provide expert guidance and support to organisations recruiting and managing volunteers in response to COVID-19.

To find contact details for your local Volunteer Centre or Volunteer Information Service, visit Volunteer Ireland

Volunteer Ireland are developing guidelines for groups wishing to recruit volunteers and are developing practical volunteering role templates aimed at supporting group who need to recruit volunteers in relation to COVID-19.

These will be available here in the coming days:

When recruiting Volunteers you need to consider:

- Volunteering should be done in a safe way so that neither volunteers nor those in need are put at risk
- Are any of potential volunteers in the "at risk" categories that would put themselves or others at risk?
- Screening and placing volunteers in an appropriate and suitable role
- Safeguarding and risk assessment
- Insurance
- Garda-vetting
- Support and day to day volunteer management (a volunteer manager may need to support volunteers, this person themselves could be a volunteer)

What the organisation needs to do:

- The Volunteer organisation should draft volunteer role descriptions for new roles— contact your local Volunteer Centre if you want help with this.
- Where it is a new role, the National Vetting Bureau will advise if it is a role that requires vetting. You should develop a volunteer role description in line with the National Vetting Bureau (Children and Vulnerable Persons) Act 2012.
- If your organisation is not already registered with the National Vetting
 Bureau, and requires vetting for a volunteer role, the first thing you
 need to do is contact the National Vetting Bureau to register with
 them.

Other important facts:

 Arrangements are in place with the National Vetting Bureau to fasttrack volunteer applications in response to COVID-19. For more information please visit https://vetting.garda.ie/

Garda Vetting Invitation Form (NVB1) with the <u>ref COVID-19 clearly</u> marked on the External Ref section will be given priority.

 Support will also be available through the DRCD email helpline to assist smaller Community &Voluntary groups with their queries and refer them on to appropriate sources of support. This dedicated email address is - c&vsupports@drcd.gov.ie
